### DESCRIPTION

The 90° angle elbow prevents supply and return PEX tubing from bending and/or cracking under the concrete floor. Allows easy directional alignment of radiant loop. Made of PVC.

- 1" PVC Elbow Channel for 1/2" et 5/8" PEX
- Can be installed with Calefactio mounting clips (#CE-100CLIP)

### INSTALLATION

Insert the PEX tubing from the manifold into the elbow at the slab level.
